

# HAND ENGINEERING'S FARMTRAC Tractor Pick Up Hitch

**HIGH QUALITY.  
RELIABLE AND STRONG.**

Hand Engineering has been manufacturing pick up hitches since 1995.

The 'Hand' pick up hitch is notable for its strength and reliability.

We have designed, and manufacture a new drop down pick up hitch offering the user more strength and safety for more applications.

## **SPECIFICATIONS**

Supplied as a complete kit ready to put on the tractor: tow hook, bolt kit, top arms and pins, lift rods, slide pipe and hydraulic release.

## **FEATURES**

- > Strong and Durable
- > Reliable with heavy duty latching system
- > Precision engineered to ensure a perfect fit
- > Hydraulic release standard on all Farmtrac Pick Up Hitches
- > Cable or Mechanical release available upon request
