## HIGH QUALITY. RELIABLE AND STRONG.

Hand Engineering has been manufacturing pick up hitches since 1995.

The 'Hand' pick up hitch is notable for it's strength and reliability.

We have designed, and manufacture a new drop down type pick up hitch offering the user more strength and safety for more applications.

## SPECIFICATIONS

Supplied as a complete kit ready to put on the tractor: tow hook, bolt kit, top arms and pins, lift rods, slide pipe and mechanical release.
