

# HAND ENGINEERING'S Massey Ferguson Tractor Pick Up Hitches

**HIGH QUALITY.  
RELIABLE AND STRONG.**

Hand Engineering has been manufacturing pick up hitches since 1995.

The 'Hand' pick up hitch is notable for its strength and reliability.

We have designed and manufacture a new drop down type pick up hitch offering the user more strength and safety for more applications.

## **SPECIFICATIONS**

Supplied as a complete kit ready to put on the tractor: tow hook, bolt kit, top arms and pins, lift rods, slide pipe and hydraulic release where relevant.
